

Check your Campaign Log. If **Katriona Lynn** came out on top:

You receive a message from Katriona Lynn. "It went so well last time, I'd like to hire you again for some more off-the-book work I need doing. Don't worry if you're booked up with your job, I'll have someone free your time up for you. Skorpios comms have been in pandemonium and I've been up to my neck sorting it out—I need someone to look into the perpetrator." You set a reminder to write a polite reply when you're not quite so busy.

Otherwise:

The Citadel of Starlight, which illuminated the sky and plaza with delicate ornate patterns, suddenly goes dark. Murmurs spread through the pedestrians strolling in the twilit plaza. The familiar feeling of being watched crawls up your thoughts.

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Rabotgorod** location their meat body is. Each investigator who fails draws the top card of the encounter deck.

AGENDA
2b

Manta Lockdown

A warning signal in your interface puts you on alert. You jack into cyberspace on instinct and are greeted by a swarm of burke bugs, eating away at the ice protecting your rig.

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Manta** location their meat body is. For each point they fail by, they must take 1 horror or lose 1 resource.

Otherwise:

While scanning nearby comms, you tune into an encrypted channel where one of the originating locations is a Weyland office. You manage to break the encryption a little too late and only catch snippets of the conversation as it is coming to a close—something about false demolition orders.

Otherwise:

The sound of sirens fills the air, and the entire plaza level shakes and rumbles. Above you, debris starts falling from a nearby building—an unscheduled demolition is well known to be code for Weyland black ops operations, though these allegations have never been proven.

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Chakana** location their meat body is. Each investigator who fails draws the top card of the encounter deck.

AGENDA
2b

Chakana Lockdown

An alarm rings out and streams of football and baseball fans start to exit the doors of the nearby stadium, ushered by the security personnel—a curious mix of the usual uniformed employees with a number of unmarked prisec agents who look more interested in scanning the crowd than assisting them.

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Guayaquil** location their meat body is. Each investigator who fails draws the top card of the encounter deck.

Otherwise:

An alarm rings out and streams of football and baseball fans start to exit the doors of the Gran Hotel where Omar was staying. The air fills with the screams of nearby civilians as you take cover, and you notice prisec teams repositioning in the upper floors of nearby buildings.

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Urban Renewal** location their meat body is. Attach the set-aside Door to Door treachery to Gran Hotel.

AGENDA
1b

Guayaquil Lockdown

Dropships float above the plaza and prisec agents descend onto the pavements. Their gear—high-visibility armor, holo-projectors, and a distinct lack of heavy weaponry—mean they must have come to *cordon off the museum and initiate a search*.

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Quinde** location their meat body is. For each point they fail by, they gain 1 tag.

Otherwise:

Screams fill the air as you hear a gunshot in your periphery, followed by another and shouting in Japanese. You know well how difficult it is to navigate the complex and arcane set of unspoken rules and traditions that maintain the criminal underworld in Nihongai—an executive somewhere must be getting desperate to send in prisec without warning the yakuza beforehand.

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Nihongai** location their meat body is. For each point they fail by, they must take 1 damage or 1 horror.

AGENDA
2b

Rabotgorod Lockdown

You get a follow-up message from Anson. "No doubt partly thanks to your help, my search into the damage done on our systems has gone smoothly. The breach is proliferating man-in-the-middle attacks on all our communications: so many that my team can't stop them all. Get to the bottom of this ASAP before the whole city goes on meltdown."

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Esmereidas** location their meat body is. For each point they fail by, they gain 1 tag.

Otherwise:

The buzzing started quiet and distant at first, but it is unmistakable now. Above the streets, platoons of drones are slowly descending on the pedestrians around you. You are pushed to your left, then towards the wall as the crowds as one mind jostle to enter the relative safety of any nearby restaurant, though nothing seems to have happened yet.

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Nihongai** location their meat body is. For each point they fail by, they gain 1 tag.

AGENDA
2b

Esmereidas Lockdown

Check your Campaign Log. If **Anson Rose** came out on top:

You get a follow-up message from Anson. "No doubt partly thanks to your help, my search into the damage done on our systems has gone smoothly. The breach is proliferating man-in-the-middle attacks on all our communications: so many that my team can't stop them all. Get to the bottom of this ASAP before the whole city goes on meltdown."

Each investigator tests **•** (4). Reduce the difficulty of this test by 1 for each location away from a **Esmereldas** location their meat body is. Gain 2 tags.

Otherwise:

The Whistleblower

HARD / EXPERT

-2 for each act in the victory display.

-2. Null & Omar takes 1 direct damage unless you place 1 of your clues on your location.

-3. Gain 2 tags.

-6. If you fail, exhaust your Brain-Machine Interface and you must switch from cyberspace to meatspace or vice versa.

Nihongai Run

In the Nihongai tourist quarter, artistically placed trees and holographic characters decorate the streets, and many of the buildings are topped with roofs made from Japanese tile (or at least the molded carbon equivalent).

Objective – Only investigators with their meat body at Tourist Quarter and their cyber avatar at Nihongai Node may spend the requisite clues, as a group, to advance.

2*

2*

Quinde Run

The Jack Weyland Museum of Space Travel celebrates the pioneers of space travel throughout history, from Yuri Gagarin and Valentina Tereshkova to Jack Weyland himself.

Objective – Only investigators with their meat body at Museum of Space Travel and their cyber avatar at Quinde Node may spend the requisite clues, as a group, to advance.

2*

2*

Rabotgorod Run

The Citadel of Starlight is the largest and most modern religious facility in New Angeles as well as the world headquarters of the Starlight Crusade. Surrounded by spires radiating beams of light into the sky, its central tower gleams with tall illuminated windows.

Objective – Only investigators with their meat body at Citadel of Starlight and their cyber avatar at Rabotgorod Node may spend the requisite clues, as a group, to advance.

2*

2*

Esmereidas Run

An infamously disreputable region of excellent reputation, Eat Row is a nightlife area that extends all the way to New Beach from the Apogee Arcology. It features a startling array of excellent and unpretentious restaurants in a wide variety of cuisines.

Objective – Only investigators with their meat body at Eat Row and their cyber avatar at Esmereidas Node may spend the requisite clues, as a group, to advance.

2*

2*

Guayaquil Run

Sportsmetal Stadium is large enough to host a major league baseball game in one half and an American football game in the other, and it has the technology to live-broadcast them in threedee worldwide.

Objective – Only investigators with their meat body at Sportsmetal Stadium and their cyber avatar at Guayaquil Node may spend the requisite clues, as a group, to advance.

2*

2*

Manta Run

The NASX is housed in a massive beehive-shaped arcology of glass and steel. As busy as the trading floor can be, the true activity centers around the NASX mainframe. Nicknamed "the All-Seeing Eye" by traders, the orb-shaped mainframe is clearly visible from the trading floor behind a glass ceiling.

Objective – Only investigators with their meat body at New Angeles Stock Exchange and their cyber avatar at Manta Node may spend the requisite clues, as a group, to advance.

2*

2*

Rutherford Crackdown

There are rumblings on the NAPD network of pricsec activity in Rutherford. As an additional cost for you to move between **District** locations, you must spend 1 action.

As an additional cost to enter an Unexplored Server, investigators with their cyber avatar at your location must spend 1 ♡ clues, as a group.

3

3

Too Big to Fail

The NAPD network has gone quiet. As an additional cost for you to move between **District** locations, you must spend 1 action.

As an additional cost to enter an Unexplored Server, investigators with their cyber avatar at your location must spend 1 ♡ clues, as a group.

2

2

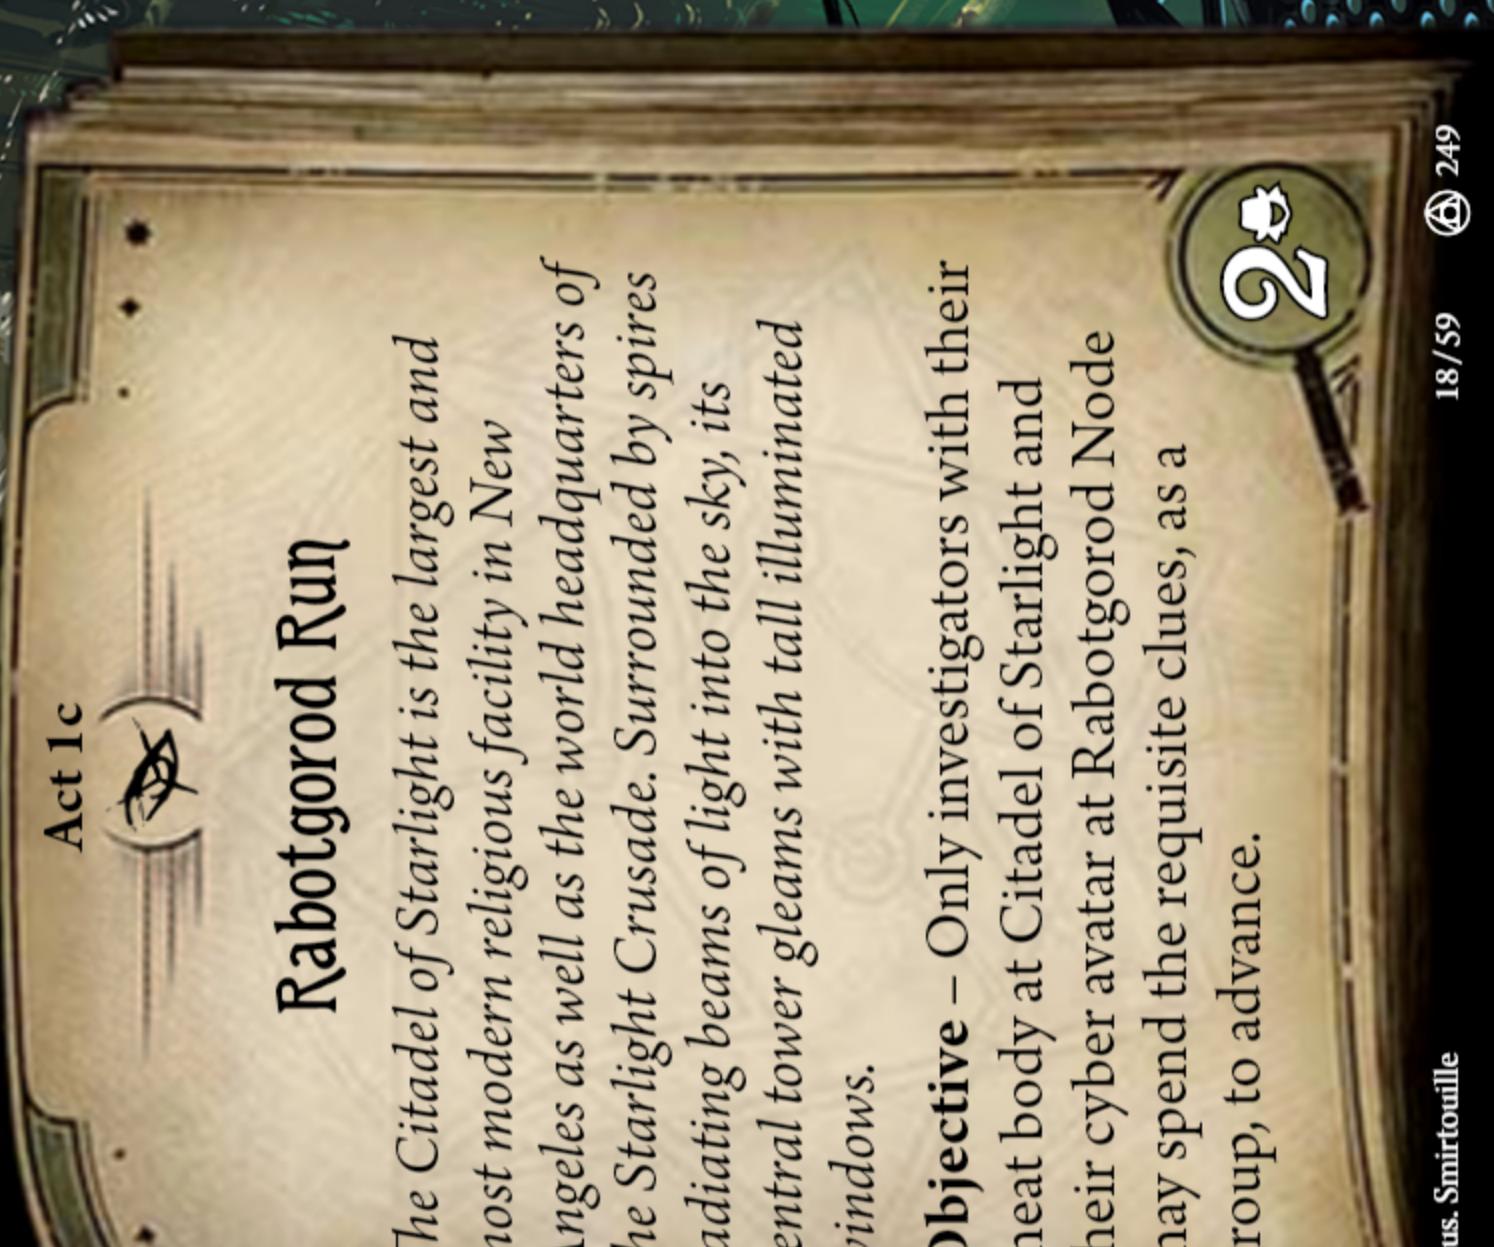

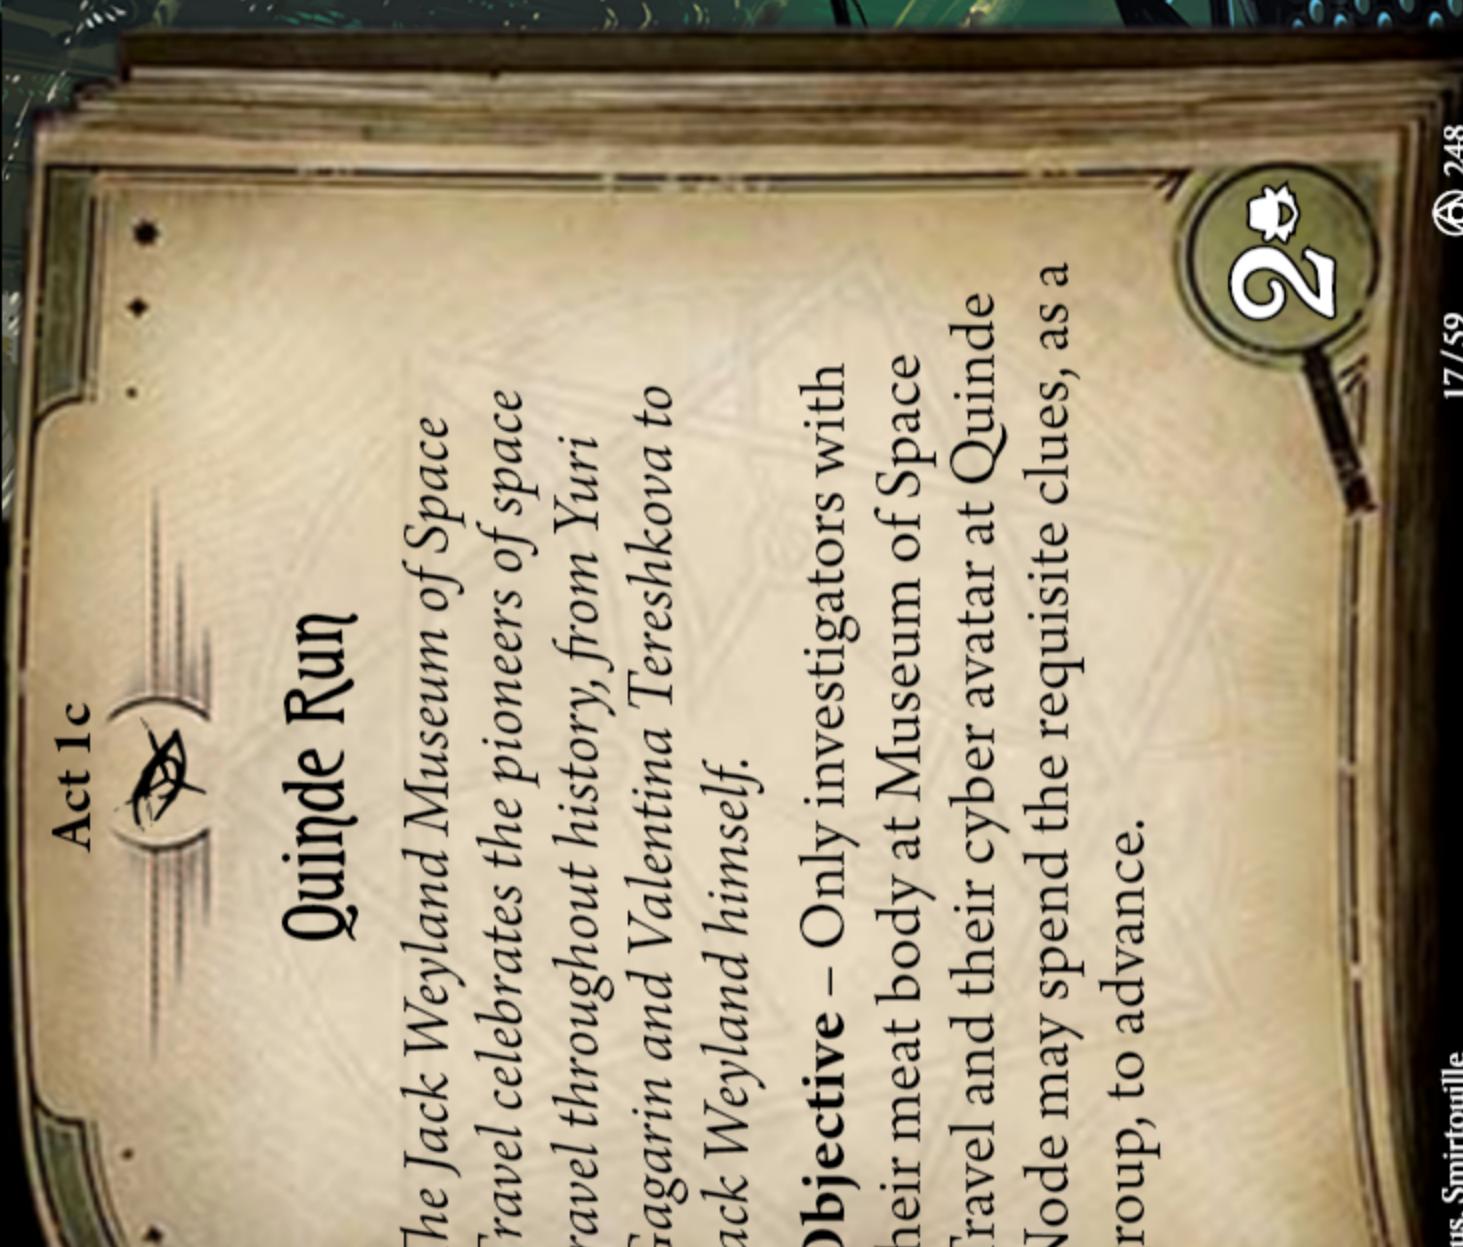

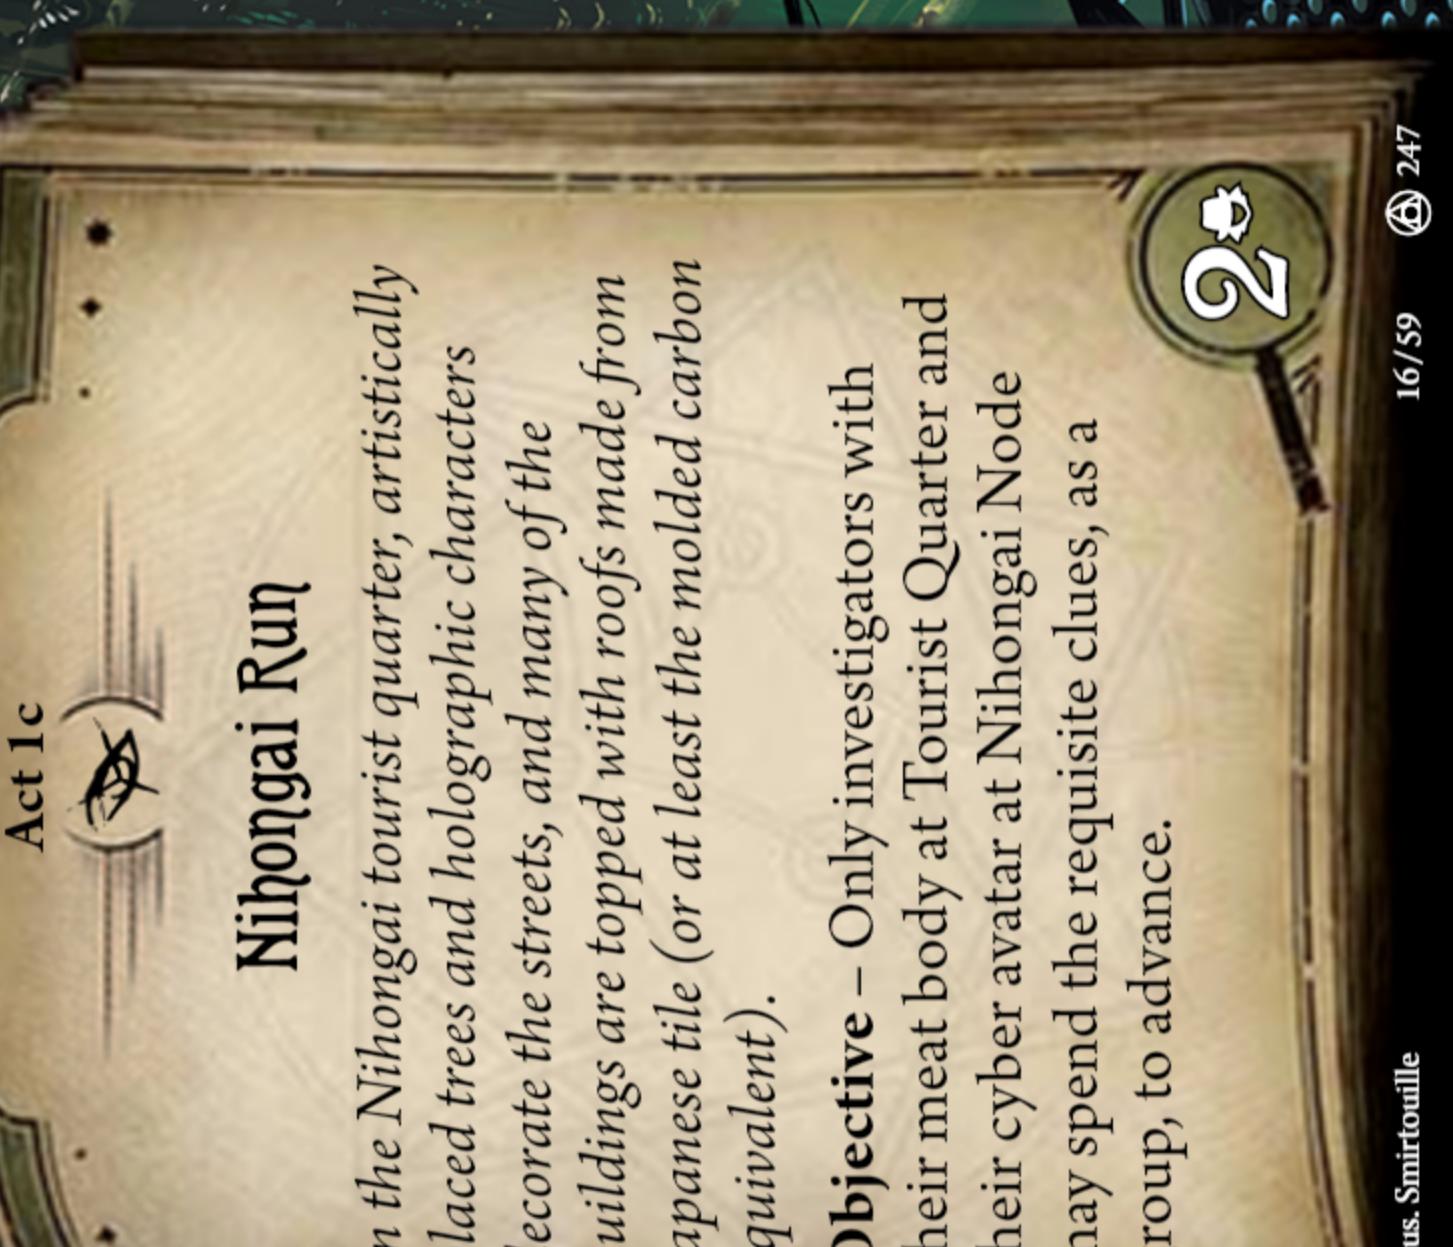

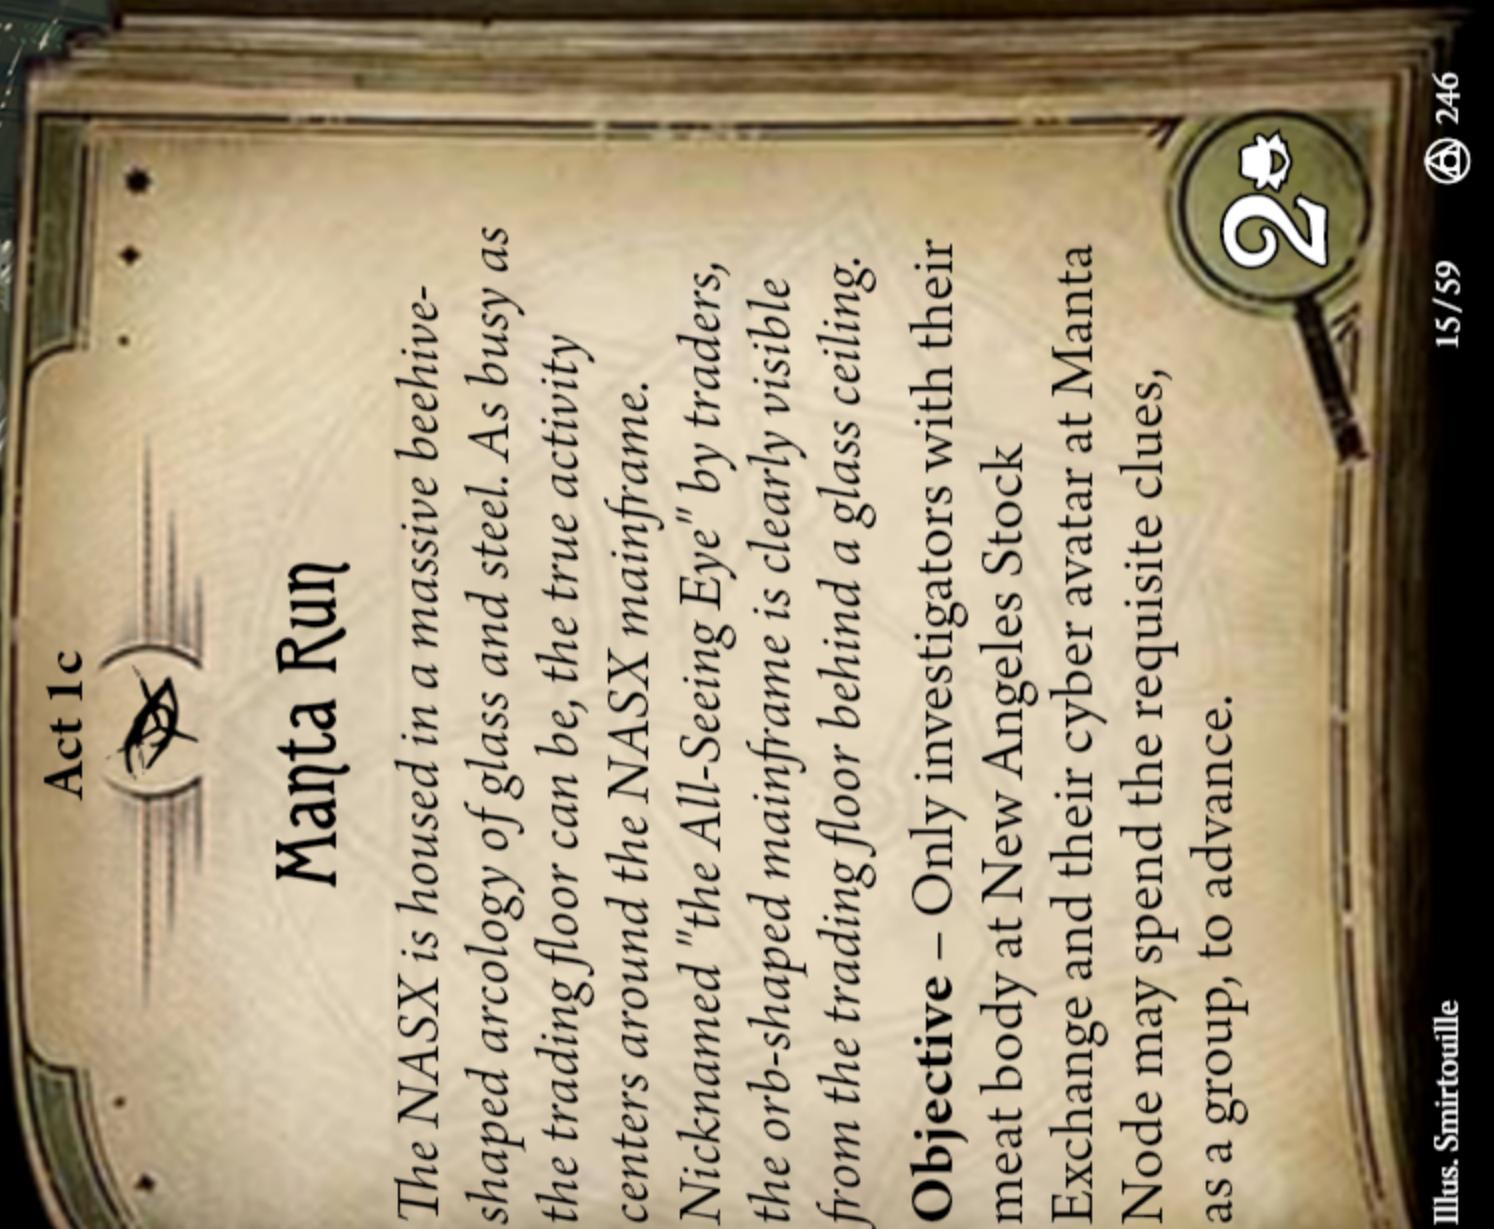

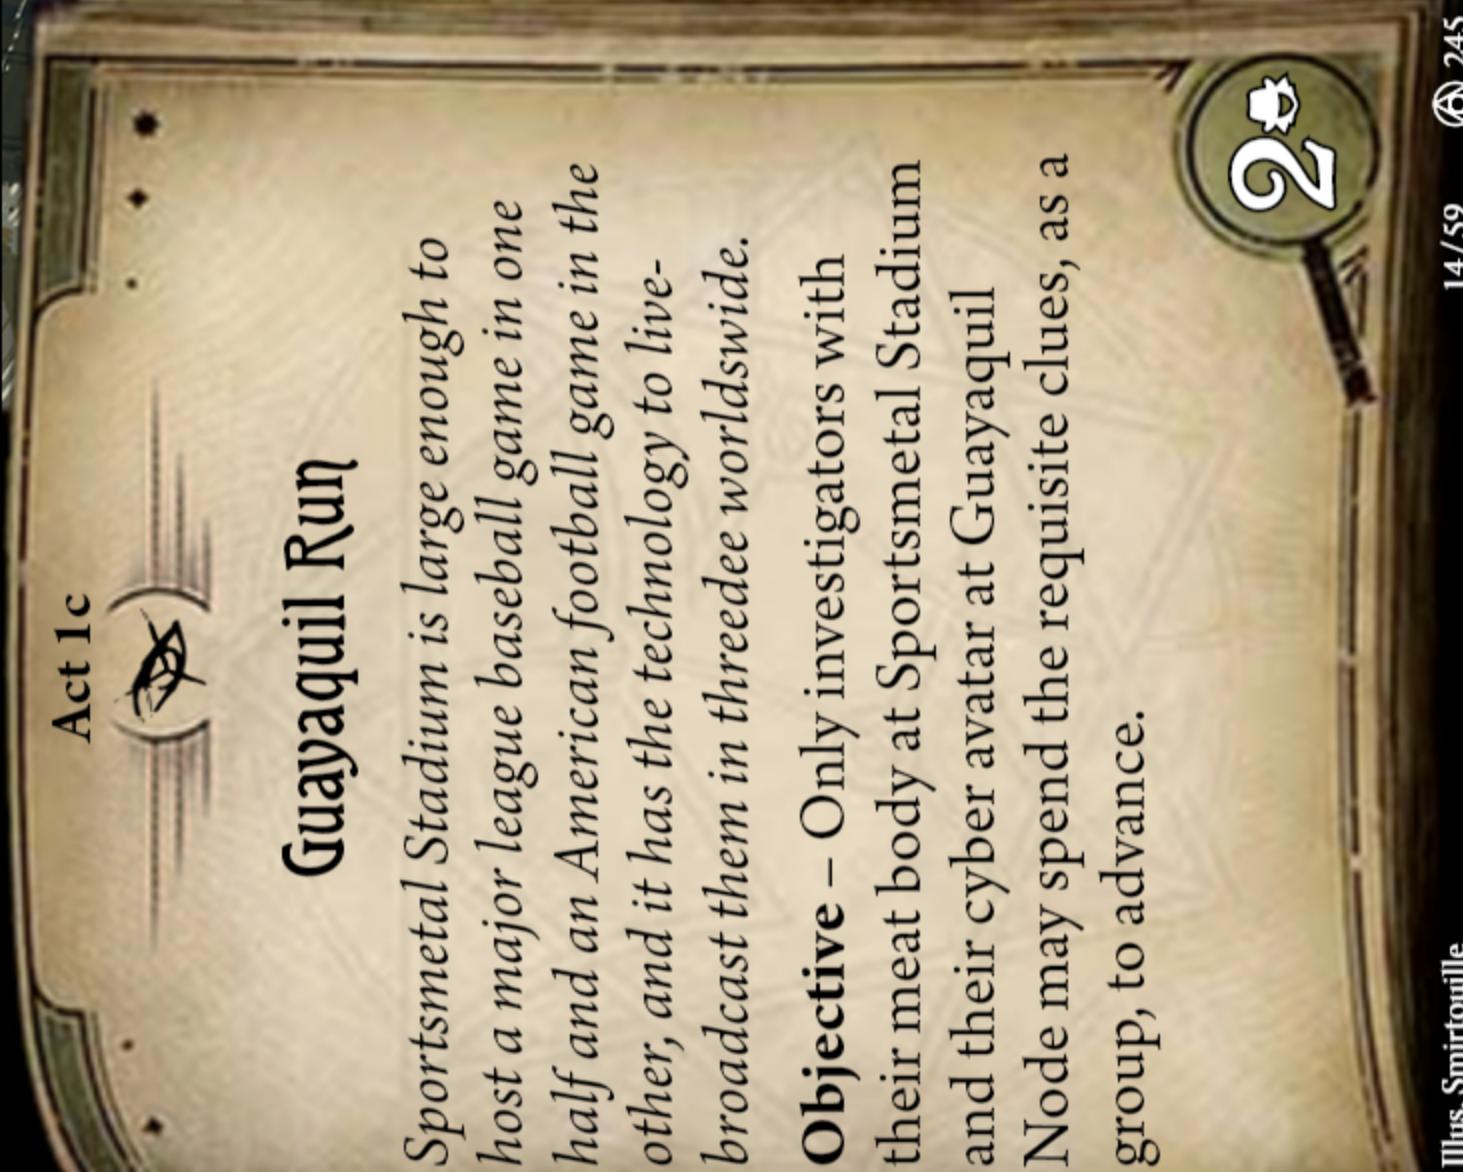

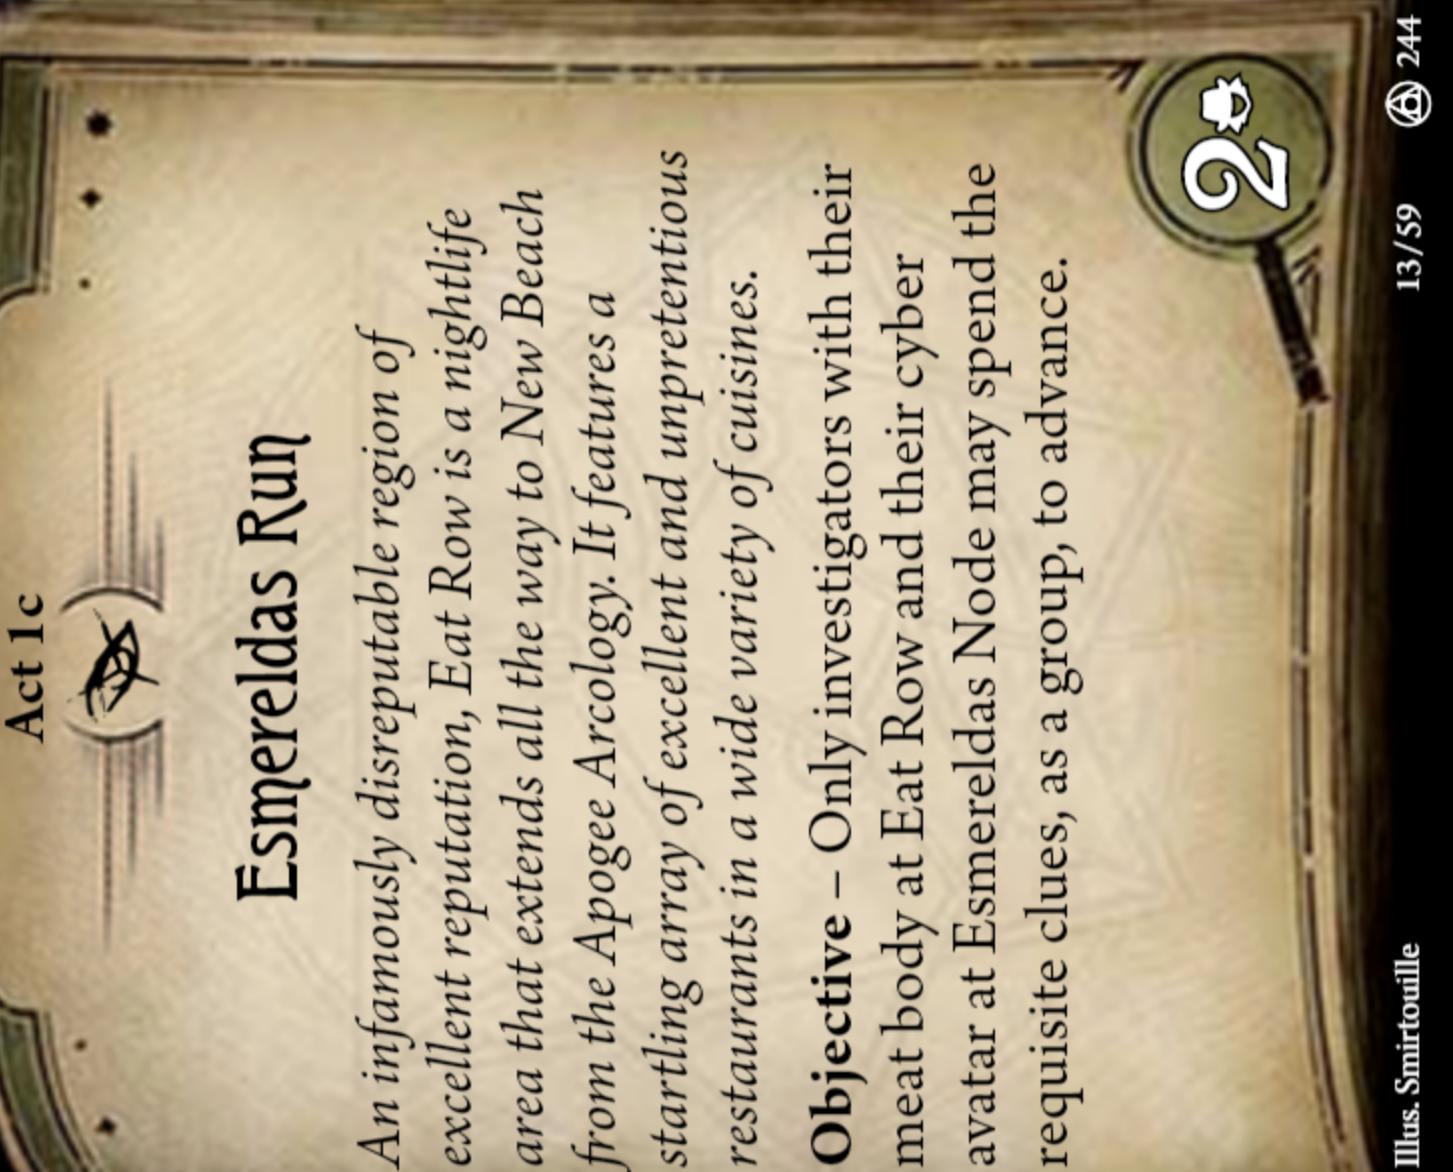

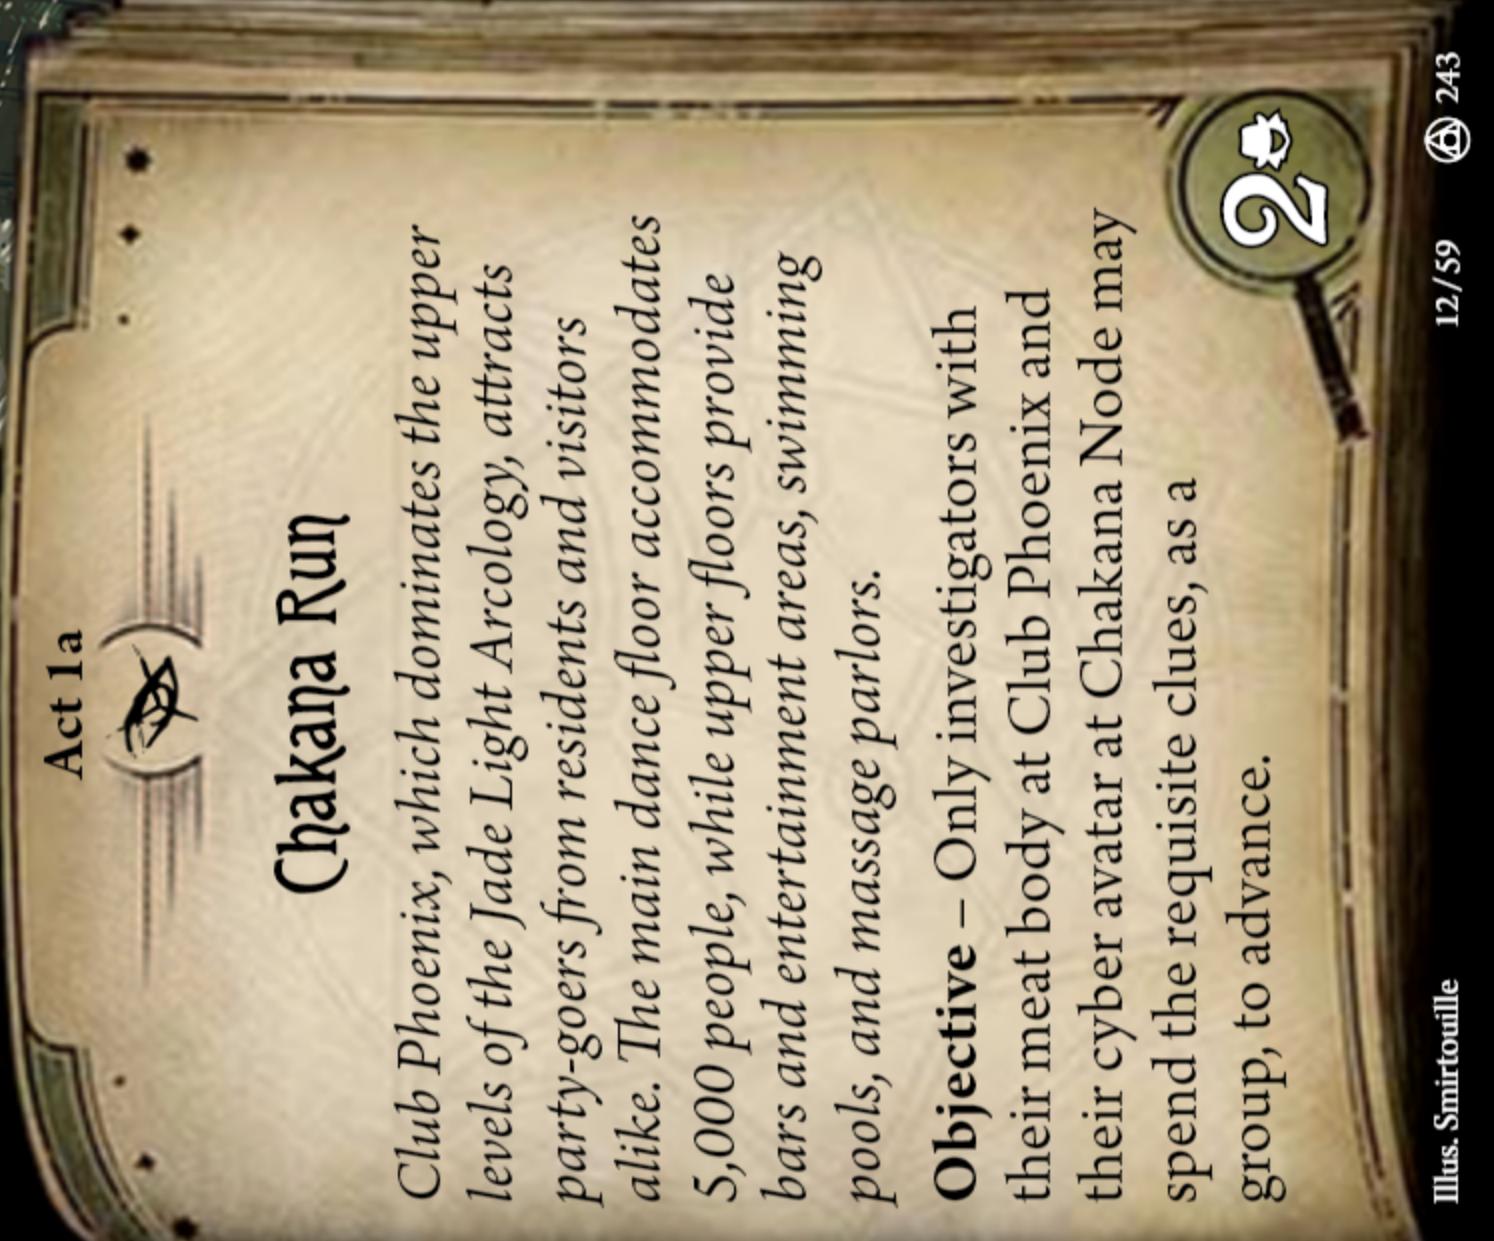

Chakana Run

Club Phoenix, which dominates the upper levels of the Jade Light Arcology, attracts party-goers from residents and visitors alike. The main dance floor accommodates 5,000 people, while upper floors provide bars and entertainment areas, swimming pools, and massage parlors.

Objective – Only investigators with their meat body at Club Phoenix and their cyber avatar at Chakana Node may spend the requisite clues, as a group, to advance.

2*

2*

ACT_{1d} You lie down in one of the meditation chambers below the Cathedral and carefully follow Null's instructions on how to access the programming. At the end of the meditation, you are invited to download a pamphlet with upcoming Starlight Crusade events, which turns out to be a shard of Null's files.

Add this card to the victory display.
An investigator with their meat body at Citadel of Starlight heals 1 horror.

If there are no acts remaining in the act deck, proceed to (**→R1**). Otherwise, if Rabotgorod Crackdown is in remainder of the agenda deck (*including the current agenda*), place 1 doom on the current agenda. This effect can cause the agenda to advance.

Victory 1.

Victory 1.

ACT_{1d} As you leave with your downloaded shard, you walk by a school tour is just leaving the petting zoo. You decide to stay a moment to pet one of the cloned Laikas—the first animal to orbit Earth.

Add this card to the victory display.
An investigator with their meat body at Museum of Space Travel heals 1 horror.

If there are no acts remaining in the act deck, proceed to (**→R1**). Otherwise, if Quinde Crackdown is in remainder of the agenda deck (*including the current agenda*), place 1 doom on the current agenda. This effect can cause the agenda to advance.

Victory 1.

Victory 1.

ACT_{1d} The sheer scale of the Supā-Sen bathhouse attracts visitors from all over New Angeles. You book a space in the western sulfuric spring and wait for the other patrons to leave before beginning your download on the complementary terminal connection.

Add this card to the victory display.
An investigator with their meat body at Tourist Quarter heals 1 damage.
If there are no acts remaining in the act deck, proceed to (**→R1**). Otherwise, if Nihongai Crackdown is in remainder of the agenda deck (*including the current agenda*), place 1 doom on the current agenda. This effect can cause the agenda to advance.

Victory 1.

Victory 1.

ACT_{1d} The atmosphere on the trading floor is tense and electric. How many know about what happened in Titan Transnational and are secretly offloading their shares? You make your way to one of the many anonymous meeting booths and jack into the Network to complete your download.

Add this card to the victory display.
An investigator with their meat body at NASX gains 2 resources.
If there are no acts remaining in the act deck, proceed to (**→R1**). Otherwise, if Manta Crackdown is in remainder of the agenda deck (*including the current agenda*), place 1 doom on the current agenda. This effect can cause the agenda to advance.

Add this card to the victory display.

Nihongai

Manta

Guayaquil

LOCATION

Meatspace. District. Nihongai.

Also called "Little Nippon", many of the residents of the district are employees of Jinteki, which is headquartered in this district. Jinteki's presence and money have accelerated the district's beautification and gentrification while ensuring that Nihongai essentially belongs to the megacorp in every unofficial sense.

LOCATION

Meatspace. District. Manta.

Stretching along over one hundred kilometers of beautiful pacific coastline, Manta boasts a number of splendid beaches, luxurious resorts, and upscale attractions while also functioning as New Angeles' second-most-critical port and providing a solid middle-class living to untold millions of New Angelinos.

LOCATION

Meatspace. District. Guayaquil.

Guyaquil started out as the center of economic prosperity of Ecuador, until Weyland and U.S. interests developed the cheaper real estate—at the time—of Quinde, Rabotgorod, and Laguna Velasco. Despite the decades of decay since, Guayaquil remains the most populous of all the districts due to history and circumstance.

Illus. Kirsten Zirngibl

Ⓐ

Rutherford

LOCATION

Meatspace. District. Rutherford.

From the gleaming lights of Broadcast Square to the upscale markets of La Concordia, Rutherford is the cultural heart of New Angeles. The district's many arcologies include some of the most luxurious residences available, as well as housing for the middle class and (beneath the plaza level) those further down the economic ladder.

Illus. Kirsten Zirngibl

Ⓐ

Rabotgorod

LOCATION

Meatspace. District. Rabotgorod.

Rabotgorod is a district struggling to escape from the legacy of its Project days. Back then, it was a pop-up city heavily populated by refugees during the breakdown of the Russian Federation. Today, the district is also called "Robot City," a reference to the district's large android population.

Illus. Kirsten Zirngibl

Ⓐ

Quinde

LOCATION

Meatspace. District. Quinde.

The most heavily industrialized sector of the city, Quinde is a manufacturing hub for androids, both clones and bioroids. New androids are said to walk out of HB and Jinteki factories only to walk into another to claim the job of a human worker. Unsurprisingly, there is a strong undercurrent of anti-android sentiment here, where the erosion of the working class is felt most keenly.

Illus. Kirsten Zirngibl

Ⓐ

Unexplored Server

LOCATION

Cyberspace.

Contrary to corporate propaganda, the Network is only one of many tributaries that empty into the virtual sea of cyberspace. No one is certain exactly how many of these networks exist, but estimates range from dozens to hundreds or even thousands.

Illus. Kirsten Zirngibl

Ⓐ

LOCATION

Cyberspace.

Contrary to corporate propaganda, the Network is only one of many tributaries that empty into the virtual sea of cyberspace. No one is certain exactly how many of these networks exist, but estimates range from dozens to hundreds or even thousands.
