TREACHERY

## End of the Line

Power.

**Revelation** – Test ♀ or ♂ (2). This test gets +1 difficulty for each tag you have. Take 1 damage for each point you fail by, to a maximum of 4.

"Don't think we don't care. We are very upset."

## End of the Line

Power.

**Revelation** – Test ♀ or ♂ (2). This test gets +1 difficulty for each tag you have. Take 1 damage for each point you fail by, to a maximum of 4.

"Don't think we don't care. We are very upset."

## Trojan Horse

Scheme.

**Revelation** – The investigator with the most tags tests ♀ or ♂ (2). This test gets +1 difficulty for each tag they have. If they fail, they must take 3 horror, or discard assets from their hand and/or play area with total printed resource cost of at least X, where X is the amount they failed by.
